

American Lincoln Part

American Lincoln Part - The American Lincoln division is presently associated with the Nilfisk Advance Industrial Group located in Plymouth, MN, USA. They specialize in floor cleaning machinery which are recognized in the industry as strong and durable machinery that satisfies the requirements of larger infrastructure and heavy industry. American made products; the sales are conducted nation- wide via authorized distributors, direct Government sales and national accounts.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk-behind version of floor scrubber. Clark has their manufacturing facilities in Springdale Arkansas. These scrubbers are on the market under the brand name "Encore". American Lincoln can supply equipment, parts and warranty service for these scrubbers which carry both the Clarke and Encore logos.

Distributed in Wal-Mart and Target distribution centers, the 7765 floor scrubber model is the highest selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for many facility supervisors where results and efficiency matter. Recently, this floor scrubber model has been requested by the architects in various construction jobs like for instance Home Depot's and Lowes Home Improvement Stores. Flooring contractors utilize this particular sweeper scrubber on location because of the model's utmost performance level and high standard of quality for polishing concrete.
