

Trek Part

Trek Part - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning industry. The company's founders, Bob O'Hara, Jim Hartsock and Chris Knwolton, have more than sixty years combined experience with successfully designing, developing, marketing, manufacturing and offering customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their clients and are dedicated to providing new design concepts and top quality in order to meet the diverse needs of their customers.

In their product development; TREK Cleaning Machines always provides fresh design concepts. They enjoy offering products that energize both their partners and their dealers and offer production gains to their clients.

The team at TREK likes handling new tasks and challenges. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the understanding of operators' skills and requirements combined with their knowledge of cleaning applications, together with owners' strong desire to considerably lower cost through productivity gains.

When required, the employees within TREK and its various dealer members in both technical support and parts would be available. Amongst their core values is their high service devotion in their customer service. Keeping their clients' cleaning machines ready and working day by day is top priority. The company's top of the line technology delivers reliable equipment that eventually lowers your cleaning cost. The product, the price and the service all work together to make them the leader in the business.
