

Rockwell Part

Rockwell Parts - The business of AxleTech International is a big supplier of specialty vehicle drive-train systems and parts together with off highway vehicles. They take great pride in being a preferred supplier to their customer base. AxleTech strives to exceed and meet their customers' expectations for service, technology, delivery and quality. They believe in working within an environment that supports the highest integrity with empowered teamwork, combined with a unrelenting pursuit of results.

AxleTech International is a General Dynamics business. They believe strongly in actively using principals of ecological stewardship and safety in how they do business. The company has put various programs in place to be able to articulate these values within their business policy. AxleTech gladly shares this policy and welcomes interested parties to provide them with whichever comments or questions, since they are happy to share and promote this policy with a greater understanding of their efforts. They are really dedicated to preserving and improving the natural environment. AxleTech has an EHS program that not just protects the environment but which also actively protects their employees and neighbors as well.

AxleTech prides themselves as being an innovative drive-train solutions provider. They specialize in manufacturing and designing planetary axles meant for both commercial and military applications. These applications range from construction equipment to airport ground support. AxleTech specifically designs axles to meet certain application demands. They have more than one thousand various axle specs within their current offering. With over one hundred years of history and experience, AxleTech proudly supplies the most complete solution for whatever of your axle requirements. The business is well known in several commercial and military applications. They provide complete axle assemblies used for aftermarket replacement needs, along with servicing axle requirements for OE production. Their high mobility ISAS have added details that could be seen in the "ISAS" product collection.
